PAUL GARNETT – The name you've known for decades helping clients with personal, precision investment strategies.

I am proud to announce the opening of my **new** financial practice **Garnett Investment Strategies**. Located at 120 South 5th Street in downtown Beatrice, I am excited to bring the same personal care and precise financial guidance I have always provided the community.

Helping people with their personal financial strategies is a passion. My mission is to be the most trusted name in financial services in all of southeastern Nebraska – on the farm, at the ranches and in the cities.

I invite everyone to learn more about goals-based investing, and what a personalized, precise investment strategy may do for you.
